Désirée. The name of Desire.

The story of the first love of a young restless man,
who would later become one of the most celebrated leaders of all times.

Désirée Clary, the beauty who first caught Napoleon's heart.
The love of youth, which can be never forgotten.

A playful blend, as inebriating as the beauty of a young girl.
Grapefruit, Rose and Passion Fruit evoke light and happiness;
Pink Pepper resembles her restlessness.

At the heart, Gardenia blossoms like the purity of her soul.

Amber, Cedarwood and White Musk
give all the harmony and liveliness
which her gentle eyes can express.
