## TRAVEL AMID FRAGRANT NOTES

The fragrance is truly multifaceted, fresh and deep.  
It opens with marine notes like a sea breeze in the early morning,  
followed by sparkling notes of Tangerine.

The heart is composed by Wild Rose  
with a touch of fresh Eucalyptus.

The base is warm and velvety.  
It combines White Musk with powdery Vanilla,  
Patchouli and Amber notes.

A precious decorated paper embellishes Élise's coffret,  
where Baudelaire's verses are hidden as a poetic secret.
